YESHIVA B'NEI TORAH

TO LEARN. TO TEACH. TO DO.

To The Yeshiva Community:

As you are all aware, in a short time we will be entering our fully renovated home on a permanent basis. This is a very exciting time in the history of the Yeshiva which is long overdue. This could have never been realized without the generous contributions of our many supporters. We are close to completion and want to be sure that we will have the necessary funds to finish the job. We therefore call upon you to give what you can to help establish the future of the Yeshiva. There are still dedication opportunities available for those who would like to participate and if you have already participated please consider increasing your pledge.

In addition to specific dedications there will also be a Roll of Honor displayed in the Yeshiva including all who have participated.

Please contact the Yeshiva as soon as possible to ensure that you will be included in this monumental undertaking and to ensure that we will enter our new home as soon as possible. Payments may be divided between this year and the next.

Your continued cooperation and support is necessary to enable us to complete this project and continue in our efforts to build Torah.

Thank you.
